Dear Colleagues,

The Canadian Society for Immunology has updated the application procedure for new individuals wishing to join the Society. These updates will align the online application procedure with our requirements for membership as specified in the [CSI By-laws](#). Also note that if your CSI membership is allowed to lapse for more than three years, you will need to re-apply to join the Society. To view the requirements and membership categories, please visit the [CSI Membership](#) page.

Hope to see you all in Whistler for the CSI 2013 meeting.

Aaron Marshall
Secretary-Treasurer
