## CANADIAN SOCIETY FOR IMMUNOLOGY

Dear CSI Member:

Your membership profile indicated that you wish to have your CSI membership dues automatically renewed at time of expiry, which is the end of this month.

Your membership dues will automatically be renewed for the 2014 membership year beginning September 29/13 with your credit card details provided when you joined CSI.

You will receive a confirmation email if your dues were successfully renewed or an email if they were unable to be processed with the credit card details on file.

To remove the automatic renewal feature in your membership profile, please go to the CSI website before Sept. 29/13 and log into your member profile to change the Auto Renew feature in the Account Information. (<http://www.csi-sci.ca/login.aspx>)

Thank you  
The Canadian Society for Immunology
