London, Ontario

Lodging & Travel

KNOWN AS THE FOREST CITY

London is home to Western University, contributing to the City’s reputation as an international centre of higher education, scientific research and cultural activity.

June is a beautiful month to experience London. Enjoy London’s history, dating back to 1793, and its architecture that is visible in the downtown area and on campus. Explore acres of green space in parks that offer miles of walking and biking trails. London has outstanding recreational facilities on- and off-campus. We offer diverse entertainment from a theatrical production in the 109-year-old Grand Theatre to live lounge performances. Museum London, with its spectacular view of the Thames River, should be on your list.

London tempts you with a cosmopolitan selection of dining. Whether it is a table for two or a group of friends, the great selection of restaurants in London guarantees that you will find the perfect venue.

London comes alive with art, entertainment, cuisine, amazing shopping and much more—there is truly something for everyone!

ACCOMMODATIONS

Accommodation at Western University’s finest residence (www.stayatwestern.ca), steps from the conference, will be available. Rooms have also been reserved at the Ivey Spencer Leadership Centre (www.iveyspencerleadershipcentre.com), a full service hotel close to campus. Shuttle service will be provided. Please identify yourself as a participant of the CSI Conference to receive a special promotional rate.

TRAVEL

By Air: Fly into the London International Airport, with direct flights from Toronto, Ottawa and Calgary. Western University is approximately 20 minutes from the airport (www.londonairport.on.ca).

By Car: London is located at the convergence of major highways 401 and 402 and only two hours from both Detroit and Toronto.

By Rail: London is well serviced by VIA RAIL from Montreal, Ottawa, Toronto and Windsor. It is only two hours away from Toronto and Windsor.

By Shuttle: Robert Q Airbus (http://robertq.com/) will offer a discounted rate (15% with promo code 4CSI) for transportation from Toronto’s Pearson Airport to London and return, a 2-hour ride each way (May 26–June 08, 2018).

The CSI 2018 program will include symposia, workshops and poster sessions on a wide range of topics in immunology.

Founded in 1878, Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discoveries with real-world applications. We attract individuals with a broad worldview, seeking to study, influence and lead in the international community. Western excels in moving research out of the labs and into the lives of people around the world through public- and private-sector partnerships.

Established in 1939, the Department of Microbiology and Immunology has a rich history of discovery and innovation in key areas of basic and translational immunology related to human health including infection and immunity, inflammation, autoimmunity, neurosciences and transplantation.
