# WELCOME OUR NEW CSI TEC MEMBERS

**Xinyun (Leo) Liu**

PhD student  
Dr. Olga Roja's Lab,  
Krembil Brain Institute,  
University of Toronto

I joined TEC to help amplify trainee voices in CSI and to contribute to a stronger, more connected community for researchers in immunology and neuroimmunology.

**Sofya Ulanova**

MD/PhD student  
Drs. Barra/Cairns Lab,  
Western University

I was eager to join TEC to meet trainees across Canada, support them in any way I can to help them succeed, and give back to the CSI community that has supported my growth.

**Alara Tuncer**

PhD Candidate  
Dr. Chao Wang's Lab,  
University of Toronto

I joined the TEC to merge my passions in immunology and science communication, contributing to the dissemination of impactful immunology research to broader scientific and public audiences.
