Countdown to CSI

75

Days

Here's what to expect at CSI 2026:

Joint CIHR-CSI National Vaccine Symposium

MON, APRIL 27TH 9AM - 4:30 PM

Keynote Addresses from
Dr. Natasha Crowcroft,
Infectious Diseases &
Vaccination Programs (PHAC)

Dr. Kai Wu,
Virology Vaccine Development
(Moderna)

This national vaccine symposium will convene leading experts in immunology, population health, pandemic preparedness, and other fields to explore the latest science and innovation in vaccine development, discuss vaccines through a population health lens, and tackle issues such as vaccine misinformation and hesitancy amid emerging and re-emerging threats.
