

WELCOME TO THE TEC'S

Monthly Newsletter

Trainee Highlights

The TEC wants to highlight YOU in our monthly newsletter! Whether you've recently published a paper, presented at a conference, received an award, or have an exciting project to share, we want to celebrate your achievements with the CSI trainee community.

***3D Immunopectidomics for Understanding
Self-Nonself Discrimination by T Cells***

**SPEAKER: ETIENNE CARON, PHD
TIME: JUNE 11 2026 @ 3:00 PM EST**

The TEC would like to extend a sincere thank you to everyone who participated in our events at CSI 2026! Your engagement made the conference a success, and we're already looking forward to what's in store for next year. We truly appreciate the feedback you've shared and will be working to incorporate it into our future programming.

Thank you!
